Bill Friedman,

On behalf of the Interagency Team, we want to thank you for your interest in serving as a member of the Community Advisory Group and its important work in the development of the planning study. There were over 26 applicants for the Community Advisory Group (CAG) and we have made our first round selections based on the best qualified individuals. We are happy to inform you that you are the 8 founding members of the CAG.

The CAG will have key responsibilities at the community level and will be responsible for making decisions on best pathways forward based on your community knowledge and unique skill. The Rural Community Assistance Corp (RCAC) has two staff dedicated to working with your group; Karen Mc Bride and Linda Stonestreet. Both will act as facilitators for your group and are also members/co-facilitators of the Interagency Team. RCAC will be the conduit for your group and the Interagency Team as we dive in to the process.

At our initial meeting we will be defining the structure by which the CAG will operate. And since the Interagency Team holds its meetings on the third Wednesday of each month, we will hold all CAG meeting's the third Tuesday of each month from 6:00-7:30pm. Please pencil in the first kickoff meeting of the CAG for Tuesday May 15, 2018 6:00-7:30pm. RCAC will notify you of the meeting location and agenda.

Again, thank you for your participation. Please contact us if you have any questions.
